1. Lege oben den Zehner (*mit 1 Plättchen darauf: s. Video*) und unten die Plättchen.
2. Schiebe oben den Zehner weg.
3. Lege das Plättchen vom Zehner zu den unteren Plättchen zurück.
4. Schreibe die Aufgabe.

1. Lege oben den Zehner und unten die Plättchen.
2. Stelle dir vor, wie du oben den Zehner wegschiebst und anschließend unten das eine Plättchen wieder zurücklegst.
4. Schreibe die Aufgabe.
